

Log In - www.mustmt.com

- Click **Register** button
- Enter your **Social Security Number**
- Enter the **Company Key** which is **MUST**
- Enter your **Date of Birth**
- Click **continue**
- Create a unique **Username** and **Password**
- Select a **security phrase** and **answer**
- Click **continue** for the log in page to reappear

NOTE: Passwords must contain **letters** and **numbers** and be at least **7 characters long**

Update your Record

- **Log In** to the MUST Online Market
- Click on the **Start Here – Change My Benefits** button
- Choose the **appropriate reason for change** from the drop down menu or type in key words in the search tool

You will need to proceed through the following sections by clicking **NEXT**:

- **About You** – your personal and dependent information
- **Election Information** – your benefits
- **Review** – verify your information is correctly updated
- Last, click **Approve**

Click on the **Log Out** link in the top right corner

If you are in the middle of a change, the system will ask you if you want to continue the change or abandon the change.
