CLAIM INFORMATION

LIFE INSURANCE

WHEN DO YOU OR YOUR AUTHORIZED REPRESENTATIVE NOTIFY UNUM OF A CLAIM?

We encourage you or your authorized representative to notify us as soon as possible, so that a claim decision can be made in a timely manner.

If a claim is based on your disability, written notice and proof of claim must be sent no later than 90 days after the end of the elimination period.

If a claim is based on death, written notice and proof of claim must be sent no later than 90 days after the date of death.

If it is not possible to give proof within these time limits, it must be given no later than 1 year after the proof is required as specified above. These time limits will not apply during any period you or your authorized representative lacks the legal capacity to give us proof of claim.

The claim form is available from your Employer and the Policyholder, or you or your authorized representative can request a claim form from us. If you or your authorized representative does not receive the form from Unum within 15 days of the request, send Unum written proof of claim without waiting for the form.

If you have a disability, you must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

HOW DO YOU FILE A CLAIM FOR A DISABILITY?

You or your authorized representative, and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out his or her section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

If your claim is based on your disability, your proof of claim, provided at your expense, must show:

- that you are under the **regular care** of a **physician**;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation or any gainful occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

If claim is based on death, proof of claim, provided at your or your authorized representative's expense, must show the cause of death. Also a certified copy of the death certificate must be given to us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim or proof of continuing disability. Unum will deny your claim if the appropriate information is not submitted.

WHEN CAN UNUM REQUEST AN AUTOPSY?

In the case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your life insurance. You may change your beneficiary at any time by filing a form approved by Unum with your Employer. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before your Employer receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. If more than one beneficiary is named and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your death benefit will be paid to your estate.

Instead of making a death payment to your estate, Unum has the right to make payment to the first surviving family members of the family members in the order listed below:

- spouse;
- child or children;
- mother or father; or
- sisters or brothers.

If we are to make payments to a beneficiary who lacks the legal capacity to give us a release, Unum may pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the beneficiary. This payment made in good faith satisfies Unum's legal duty to the extent of that payment and Unum will not have to make payment again.

Also, at Unum's option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death.

HOW WILL UNUM MAKE PAYMENTS?

If your life claim is at least \$10,000, Unum will make available to the beneficiary a **retained asset account** (the Unum Security Account).

Payment for the life claim may be accessed by writing a draft in a single sum or drafts in smaller sums. The funds for the draft or drafts are fully guaranteed by Unum.

If the life claim is less than \$10,000, Unum will pay it in one lump sum to your beneficiary.

Also, your beneficiary may request the life claim to be paid according to one of Unum's other settlement options. This request must be in writing in order to be paid under Unum's other settlement options.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

WHAT ARE YOUR ASSIGNABILITY RIGHTS FOR THE DEATH BENEFITS UNDER YOUR LIFE INSURANCE? (Assignability Rights)

The rights provided to you by the plan for life insurance are owned by you, unless:

- you have previously assigned these rights to someone else (known as an "assignee"); or
- you assign your rights under the plan(s) to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the plan(s) provisions before receiving and registering an assignment.

If any of the statements you, your Employer or the Policyholder make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application or an evidence of insurability form as a basis for doing this.

Except in the case of fraud, Unum can take action only in the first 2 years coverage is in force.

If the Employer or the Policyholder gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

DOES THE POLICY REPLACE OR AFFECT ANY WORKERS' COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

LIFE INSURANCE BENEFIT INFORMATION

WHEN WILL YOUR BENEFICIARY RECEIVE PAYMENT?

Your beneficiary(ies) will receive payment when Unum approves your death claim.

WHAT DOCUMENTS ARE REQUIRED FOR PROOF OF DEATH?

Unum will require a certified copy of the death certificate, enrollment documents and a Notice and Proof of Claim form.

HOW MUCH WILL UNUM PAY YOUR BENEFICIARY IF UNUM APPROVES YOUR DEATH CLAIM?

Unum will determine the payment according to the amount of insurance shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

WHAT HAPPENS TO YOUR LIFE INSURANCE COVERAGE IF YOU BECOME DISABLED?

Your life insurance coverage may be continued for a specific time and your life insurance premium will be waived if you qualify as described below.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO HAVE LIFE PREMIUMS WAIVED?

Groups 1 and 2

You must be disabled through your **elimination period**.

Your elimination period is 6 months.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER BEGIN?

Groups 1 and 2

Your life insurance premium waiver will begin when we approve your claim, if the elimination period has ended and you meet the following conditions. Your Employer may continue premium payments until Unum notifies your Employer of the date your life insurance premium waiver begins.

Your life insurance premium will be waived if you meet these conditions:

- you are less than 60 and insured under the plan.
- you become disabled and remain disabled during the elimination period.
- you meet the notice and proof of claim requirements for disability while your life insurance is in effect or within three months after it ends.
- your claim is approved by Unum.

After we approve your claim, Unum does not require further premium payments for you while you remain disabled according to the terms and provisions of the plan.

Your life insurance amount will not increase while your life insurance premiums are being waived. Your life insurance amount will reduce or cease at any time it would reduce or cease if you had not been disabled.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER END?

Groups 1 and 2

The life insurance premium waiver will automatically end if:

- you recover and you no longer are disabled;
- you fail to give us proper proof that you remain disabled;
- you refuse to have an examination by a physician chosen by Unum;
- you reach age 65; or
- premium has been waived for 12 months and you are considered to reside outside the United States or Canada. You will be considered to reside outside the United States or Canada when you have been outside these countries for a total period of 6 months or more during any 12 consecutive months for which premium has been waived.

HOW DOES UNUM DEFINE DISABILITY?

Groups 1 and 2

You are disabled when Unum determines that:

- during the elimination period, you are not working in any occupation due to your **injury** or **sickness**; and
- after the elimination period, due to the same injury or sickness, you are unable to perform the duties of any **gainful occupation** for which you are reasonably fitted by training, education or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

APPLYING FOR LIFE INSURANCE PREMIUM WAIVER

Ask the Policyholder for a life insurance premium waiver claim form.

The form has instructions on how to complete and where to send the claim.

WHAT INSURANCE IS AVAILABLE WHILE YOU ARE SATISFYING THE DISABILITY REQUIREMENTS? (See Conversion Privilege)

You may use this life conversion privilege when your life insurance terminates while you are satisfying the disability requirements. Please refer to the conversion privilege below. You are not eligible to apply for this life conversion if you return to work and, again, become covered under the plan.

If an individual life insurance policy is issued to you, any benefit for your death under this plan will be paid only if the individual policy is returned for surrender to Unum. Unum will refund all premiums paid for the individual policy.

The amount of your death benefit will be paid to your named beneficiary for the plan. If, however, you named a different beneficiary for the individual policy and the policy is returned to Unum for surrender, that different beneficiary will not be paid.

If you want to name a different beneficiary for this group plan, you must change your beneficiary as described in the Beneficiary Designation page of this group plan.

WHAT INSURANCE IS AVAILABLE WHEN COVERAGE ENDS? (Conversion Privilege)

When coverage ends under the plan, you can convert your coverage to an individual life policy, without evidence of insurability. The maximum amount that you can convert is the amount you are insured for under the plan. You may convert a lower amount of life insurance.

You must apply for individual life insurance under this life conversion privilege and pay the first premium within 31 days after the date:

- your coverage terminates; or
- you no longer are eligible to participate in the coverage of the plan.

If you convert to an individual life policy, then return to work, and, again, become insured under the plan, you are not eligible to convert to an individual life policy again. However, you do not need to surrender that individual life policy when you return to work.

Converted insurance may be of any type of the level premium whole life plans then in use by Unum. You may elect one year of Preliminary Term insurance under the level premium whole life policy. The individual policy will not contain disability or other extra benefits.

WHAT LIMITED CONVERSION IS AVAILABLE IF THE POLICY OR THE PLAN IS CANCELLED? (Conversion Privilege)

You may convert a limited amount of life insurance if you have been insured under your Employer's group plan with Unum for at least three (3) years and the Policy or the plan:

- is cancelled with Unum; or
- changes so that you no longer are eligible.

The individual life policy maximum will be the lesser of:

- \$10,000; or
- your coverage amount under the plan less any amount that becomes available under any other group life plan offered by your Employer within 31 days after the date the Policy or the plan is cancelled.

PREMIUMS

Premiums for the converted insurance will be based on:

- your then attained age on the effective date of the individual life policy;
- the type and amount of insurance to be converted;
- Unum's customary rates in use at that time; and
- the class of risk to which you belong.

If the premium payment has been made, the individual life policy will be effective at the end of the 31 day conversion application period.

DEATH DURING THE THIRTY-ONE DAY CONVERSION APPLICATION PERIOD

If you die within the 31 day conversion application period, Unum will pay the beneficiary(ies) the amount of insurance that could have been converted. This coverage is available whether or not you have applied for an individual life policy under the conversion privilege.

APPLYING FOR CONVERSION

Ask the Policyholder for a conversion application form which includes cost information.

When you complete the application, send it with the first premium amount to:

WILL UNUM ACCELERATE YOUR DEATH BENEFIT FOR THE PLAN IF YOU BECOME TERMINALLY ILL? (Accelerated Benefit)

If you become terminally ill while you are insured by the plan, Unum will pay you a portion of your life insurance benefit one time. The payment will be based on 75% of your life insurance amount. However, the one-time benefit paid will not be greater than \$250,000.

Your right to exercise this option and to receive payment is subject to the following:

- you request this election, in writing, on a form acceptable to Unum;
- you must be terminally ill at the time of payment of the Accelerated Benefit;
- your physician must certify, in writing, that you are terminally ill and your life expectancy has been reduced to less than 12 months; and
- the physician's certification must be deemed satisfactory to Unum.

The Accelerated Benefit is available on a voluntary basis. Therefore, you are not eligible for benefits if:

- you are required by law to use this benefit to meet the claims of creditors, whether in bankruptcy or otherwise; or
- you are required by a government agency to use this benefit in order to apply for, get, or otherwise keep a government benefit or entitlement.

Premium payments must continue to be paid on the full amount of life insurance unless you qualify to have your life premium waived.

If you have assigned your rights under the plan to an assignee or made an irrevocable beneficiary designation, Unum must receive consent, in writing, that the assignee or irrevocable beneficiary has agreed to the Accelerated Benefit payment on your behalf in a form acceptable to Unum before benefits are payable.

An election to receive an Accelerated Benefit will have the following effect on other benefits:

- the death benefit payable will be reduced by any amount of Accelerated Benefit that has been paid; and
- any amount of life insurance that would be continued under a disability continuation provision or that may be available under the conversion privilege will be reduced by the amount of the Accelerated Benefit paid. The remaining life insurance amount will be paid according to the terms of the Policy subject to any reduction and termination provisions.

Benefits paid may be taxable. Unum is not responsible for any tax or other effects of any benefit paid. As with all tax matters, you should consult your personal tax advisor to assess the impact of this benefit.

WHAT LOSSES ARE NOT COVERED UNDER YOUR PLAN?

Your plan does not cover any losses where death is caused by, contributed to by, or results from:

- suicide occurring within 24 months after your initial effective date of insurance; and
- suicide occurring within 24 months after the date any increases or additional insurance becomes effective for you.

The suicide exclusion will apply to any amounts of insurance for which you pay all or part of the premium.

The suicide exclusion also will apply to any amount that is subject to evidence of insurability requirements and Unum approves the evidence of insurability form and the amount you applied for at that time.

LIFE INSURANCE

OTHER BENEFIT FEATURES

Groups 1 and 2 – Portability

WHAT COVERAGE IS AVAILABLE IF YOU END EMPLOYMENT OR YOU WORK REDUCED HOURS? (Portability)

You may elect portable coverage for yourself if:

- your employment ends with your Employer other than retirement; or
- you are working less than the minimum number of hours as described under Eligible Groups in this plan.

PORTABLE INSURANCE COVERAGE AND AMOUNTS AVAILABLE

The portable insurance coverage will be the current coverage and amounts that you are insured for under your Employer's group plan.

However, the amount of portable coverage for you will not be more than:

- the highest amount of life insurance available for employees under the plan; or
- 5x your annual earnings; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The minimum amount of coverage that can be ported is \$5,000. If the current amounts under the plan are less than \$5,000, you may port the lesser amounts.

Your amount of life insurance will reduce or cease at any time it would reduce or cease for your eligible group if you had continued in active employment with your Employer.

APPLYING FOR PORTABLE COVERAGE

You must apply for portable coverage for yourself and pay the first premium within 31 days after the date:

- your coverage ends from your Employer other than retirement; or
- you begin working less than the minimum number of hours as described under Eligible Groups in this plan.

You are not eligible to apply for portable coverage for yourself if:

- you have an injury or sickness, under the terms of this plan, which has a material effect on life expectancy; or
- you failed to pay the required premium under the terms of this plan.

If we determine that because of an injury or sickness, which has a material effect on life expectancy, you were not eligible for portability at the time you elected portable coverage, the benefit will be adjusted to the amount of whole life coverage the premium would have purchased under the Conversion Privilege.

APPLYING FOR INCREASES OR DECREASES IN PORTABLE COVERAGE

You may increase or decrease the amount of life insurance coverage. The minimum and maximum benefit amounts are shown above. However, the amount of life insurance coverage cannot be decreased below \$5,000. All increases are subject to evidence of insurability. Portable coverage will reduce at the ages and amounts shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

WHEN PORTABLE COVERAGE ENDS

Portable coverage for you will end on the date you fail to pay any required premium.

If portable coverage ends due to failure to pay required premium, portable coverage cannot be reinstated.

PREMIUM RATE CHANGES FOR PORTABLE COVERAGE

Unum may change premium rates for portable coverage at any time for reasons which affect the risk assumed, including those reasons shown below:

- changes occur in the coverage levels;
- changes occur in the overall use of benefits by all insureds;
- changes occur in other risk factors; or
- a new law or a change in any existing law is enacted which applies to portable coverage.

The change in premium rates will be made on a class basis according to Unum's underwriting risk studies. Unum will notify the insured in writing at least 31 days before a premium rate is changed.

APPLYING FOR CONVERSION, IF PORTABLE COVERAGE ENDS OR IS NOT AVAILABLE

If you are not eligible to apply for portable coverage or portable coverage ends, then you may qualify for conversion coverage. Refer to Conversion Privilege under this plan.

Ask the Policyholder for a conversion application form which includes cost information.

When you complete the application, send it with the first premium amount to:

APPLICABILITY OF ERISA

If the policy provides benefits under a Plan which is subject to the Employee Retirement Income Security Act of 1974 (ERISA), the following provisions apply. Whether a Plan is governed by ERISA is determined by a court, however, your Employer may have information related to ERISA applicability. If ERISA applies, the following items constitute the Plan: the additional information contained in this document, the policy, including your certificate of coverage, and any additional summary plan description information provided by the Plan Administrator. Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

This coverage may be provided under a Plan that provides other benefits as well. Contributions to the Plan are made as stated under your certificate of coverage. The contributions made by you and your Employer, if any, for this coverage may be used by the Plan to provide any of the benefits under the Plan. The Employer is ultimately responsible for paying any difference between the total cost of benefits under the Plan and the amounts you and other employees contribute.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

If a claim is based on death, a covered loss not based on disability or for the Education Benefit

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If a claim is based on your disability

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If an appeal is based on death, a covered loss not based on disability or for the Education Benefit

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and

- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based. It will also include a statement describing your right to access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

If an appeal is based on your disability

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

NOTICE OF PROTECTION PROVIDED BY MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** of the Montana Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Montana law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Montana law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values

- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability income insurance benefits
 - \$300,000 in long term care insurance benefits
 - \$100,000 in other types of health insurance benefits

- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection is \$300,000 in benefits with respect to any one life regardless of the number of policies or contracts, except with respect to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Montana law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mtlifega.org or contact:
